

KEEP YOUR EMPLOYEES HEALTHY AND HAPPY

Worry about staff turnover? Wanting to attract and retain high quality employees?
Want to provide high quality health care for your workers?

DR CRANNEY FAMILY MEDICINE HAS SOLUTIONS FOR YOU

WHAT IS DR CRANNEY FAMILY MEDICINE?

- We are a Direct Primary Care service. We provide your workers health CARE from a primary care physician **without insurance hassles.**
- 80-90% of health care issues can be treated by primary care doctors, keeping costs low and quality of care high.

HOW DOES DR CRANNEY FAMILY MEDICINE WORK?

- **We deliver Primary Care services directly to your employees.**
- **No insurance used, no middlemen, no hidden fees – just the patient and their needs.**
- **Low cost:**
 - No co-pays, co-insurance, or hidden fees. Our direct primary care service is subscription-based, as low as \$39 per month. Any additional costs are transparent and often discounted.
- **Unlimited visits:**
 - Access to care is key, whether in-person or via phone, email, or video chat. In-person visits are often same day or next day and can be made as often as needed.
 - Visits are un-rushed and always with *your* doctor.
- **Continuous care**
 - We are here for your team. We focus on relationship-driven, continuous, long-term health care. Your employees are treated like people, not a transaction.
- **We can take care of cut fingers, broken bones, coughs, colds and so much more!**
- As Family Medicine Doctors, we are trained to take care of a wide range of health concerns both acute and chronic conditions for the same low price per month.

BEST OF ALL, YOU CONTROL THE PROCESS

- **You decide which employees are eligible for services at Dr Cranney Family Medicine.**
- **You decide what portion you want to contribute per employee per month.**
- **You pay monthly for enrolled employees. No long term contracts.**
- We know that you have a lot on your plate, so we work on the back end to make the service as seamless as possible for you and your employees.

EMPLOYER ENROLLMENT PROCESS

Signing up is easy! We ask you (the employer) to complete and return an enrollment form. Return the form by mail, fax (509-572-9243), email (info@nwpioneer.com), or text (509-673-7221). We will create your account which you control and through this invite each authorized employee to enroll.

Billing: We bill monthly. You have the option to pay 0-100% of the membership. Most employers choose to pay the full monthly fee on behalf of their employees and leave any incidental charges (medications, labs, imaging, procedures) up to the employee.

Prices:

Adult (19-29)	\$39 per month
Adult (30+)	\$69 per month
Family (2 adult/2 children)	\$175 per month
Each additional child (0-26)	\$29 per month

***Employer sponsored rates for group enrollment available**

We contract directly with our patients/your employees. That contract is available upon request.

We are NOT insurance; we are health CARE! Save insurance for unpredictable, catastrophic health events. For the rest, let Dr Cranney Family Medicine be *your* **solution!**
